## PUBLIC NOTICE

### APPROVAL AND PUBLICATION OF REFERENCE INTERCONNECTION OFFER (RIO) AND REFERENCE INFRASTRUCTURE SHARING OFFER (RISO) SUBMITTED BY ETHIO TELECOM SHARE COMPANY

WHEREAS, the Ethiopian Communications Authority (ECA) is vested with powers and responsibilities under the Communications Service Proclamation No. 1148/2019 to regulate the communications sector, including the review and approval of Reference Interconnection Offers (RIOs) and Reference Infrastructure Sharing Offers (RISOs) submitted by licensees, in accordance with the Telecommunications Interconnection Directive No. 791/2021 and the Telecommunications Infrastructure Sharing and Collocation Directive No. 793/2021;

WHEREAS, Ethio Telecom Share Company, being a duly licensed telecommunications operator, has submitted its Reference Interconnection Offer (RIO) and Reference Infrastructure Sharing Offer (RISO) to the Authority for review and approval in accordance with Article 16(3) of the Telecommunications Interconnection Directive No. 791/2021 and Article 14(2) of the Telecommunications Infrastructure Sharing and Collocation Directive No. 793/2021;

NOW, THEREFORE, upon due consideration and evaluation of the submitted RIO and RISO, the Ethiopian Communications Authority (ECA) hereby approves and authorizes the publication of the said offers.

The approved RIO and RISO set forth the standard terms, conditions, and applicable tariffs governing interconnection, infrastructure sharing, and collocation arrangements between Ethio Telecom Share Company and other licensed telecommunications operators and service providers within the Federal Democratic Republic of Ethiopia.

This approval is granted in furtherance of the Authority's objectives to promote fair competition, non-discremination, cost orientation, transparency, interoperability, and efficient interconnection and infrastructure sharing among operators in the communications sector.

The approved RIO and RISO shall become effective as of January 1, 2026, and shall remain valid until amended or replaced in accordance with applicable laws and directives.

Interested stakeholders and members of the public may access the approved documents through the official website of the Ethiopian Communications Authority at [www.eca.et](http://www.eca.et), or by visiting the Authority's Head Office, Communications Competition and Market Regulation Directorate, during official working hours.
